Sl.No	Detail of the Programme	Objective	Outcome	Duration	Key Performance Indicator (KPI)	Target Group	Physical Number	Name of the Programme Coordinator
19	Workshop on drawing and use of maps in teaching social science (District level)	1. To enhance the capacity of social science teachers to use maps as learning resources 2. To enable the participants to draw different kinds of maps for classroom transaction	1. Participants will be able to invite curiosity, encourage exploration and inspire problem-solving 2. Participants will be able to incorporate visual learning, spatial thinking and quantitative skills into a lesson	2 days	Enhancement of map reading skill	30 nos. of UP Teachers of social science	1	Himadri Verma, Lecturer
20	Workshop on Text-book analysis (class VI to VIII) Sub- Mathematics (Block level)	1. To familiar the Teacher with new English version text-book of VI, VII and VIII. 2. To enrich teachers with competency based learning of mathematics. 3. To provide teachers with an understanding of the new lesson planing system i.e 5E's model. 4. To encourage Teachers to create lesson based Teaching Learning Materials (TLM)	1. Teachers will know and understand about competency based learning in mathematics. 2. Teachers will know the proper learning outcomes. 3. Teachers will be able to know the 5E's model of lesson plan. 4. They will be enriched to prepare lessons using TLM.	3 days	1. Coavent understanding 2. Engagement 3. Time management 4. Feedback and refextion 5. Collboration 6.Workshop impact	30 nos. of Teachers of School Educations from each block	2	Iva Devi, Sr. Lecturer
21	An orientation and awareness program for the parents/Guardians of different schools in morigaon district (Block level)	1. Encourage parents and guardians to actively participate in their children's education. 2. Equipe parents with strategies to support their children's learning at home. 3. Creating awareness about use of regular school attendance, punctuality and involvement in co-curricular activities.	1. Parents will be able to understand their duties and responsibilities. 2. Parents will be create a favourable environment at home. 3. Parents may become more engeged in their children's education.	1 day	1.Understanding duties and responsibilities 2. Create favourable environment	50 nos. of Parents/Guardians from each block	2	Iva Devi, Sr. Lecturer
22	Wall Painting Competition (Mural Art Work)	Engagement of children creative work, Group activities	Adds personality character	5 days	Visitor attraction	30 nos. of DIET Students	1	Kishor Kumar Das, Sr. Lecturer

List of Program & Activities to be conducted during the financial year 2024-25 of DIET, Morigaon								
Sl.No	Detail of the Programme	Objective	Outcome	Duration	Key Performance Indicator (KPI)	Target Group	Physical Number	Name of the Programme Coordinator
23	Workshop on innovative teaching methods and techniques to develop reading skill in students. (Block level)	To develop reading skill in students	1. Teachers will be able to apply new techniques to teach reading. 2. Students will be motivated to learn english through fun activities.	3 days	Develop reading skill through innovative method	30 nos. of LP & UP Teachers	2	Santana Devi, Lecturer
24	Workshop on Teaching Listening and Speaking in a learner centred classroom (Block level)	To develop in teachers the techniques of teaching listening and speaking in students.	1. Teachers will be able to know different techniques of teaching, listening and speaking. 2. Students will be more motivated.	2 days	Develop listening and speaking skill	30 nos. of LP & UP Teachers	2	Santana Devi, Lecturer
25	Training Programme on 'Computer literacy' among primary school teachers. (Block level)	1. To empower teachers with basic computer skills and digital technology. 2. To empower them with hardware and software knowledge.	1. Equipped with digital teaching. 2. Teachers will able to use virtual and flipped classroom	3 days	Developed digital teaching	30 nos of Lower Primary teachers from each block	4	Smriti Rekha Das, Lecturer
26	"Learn to Read, Read to Learn" - a teachers' training programme on reading enhancement programme for LP teachers of Morigaon District (District level)	1. To find out causes of reading difficulties. 2. To orient teachers regarding reading enhance programme and aware about strategies of implementation of the programme.	1. Improve teaching learning process 2. Improve students reading skills 3. Improve students' overall capacity	3 days	Acquint with the skills for reading enhancement	100 nos. of UP Teachers	1	Sunil Sarma, Sr. Lecturer
27	2 days training cum workshop on science teaching (Block level)	1. To develop skill of science teaching by various methods of teaching. 2. To develop scientific temper among the students with activity based class transaction.	1. Able to acquire the skill of science teaching with activity, project experiment observation method of teaching	2 days	Develop fundamental skill and processes for the proper understanding of subject matter Apply method of science teaching develop fundamental skill and understanding of subject matter	30 nos. of UP teachers from each block	4	Nandita Sarma, Sr. Lecturer
